Sisters Julia Alarcon, 44, and Natalia Alarcon, 30, design Lialia. Both studied at Parsons and worked for various houses including Reyes and Oscar de la Renta before starting their own line.

Julia Alarcon says: 'It is a gown that will highlight Michelle's best features in terms of color and fit. It is feminine without being too girly or frilly. It is sophisticated yet young at the same time. The double-faced silk satin gives it beautiful architecture, which gives it beautiful movement. The gown looks amazing in motion. And she will be moving all night.'
